

Our youth are our future!

The Tibra Foundation is dedicated to enriching the lives of women and girls of the Libyan community worldwide.

Tibra's mission is to organize community-sponsored supportive projects to benefit women of the Libyan community and highlight their achievements.

Like any new idea, Tibra is taking its first strides. There is a lot to be done, and the project will not succeed without the support and participation of the community. You are invited to share your comments and strongly encouraged to participate in any way helpful.

The Tibra Foundation is an independent non-profit organization and is not affiliated with any other organization or entity.
